

March 31 – April 1, 2012 • South San Francisco Conference Center
Partner Levels

Partners play a vital role in our conference. Each level is designed to support your products, services and mission while giving you the maximum exposure. Access to all conference attendees, contacts, and potential clients is made available during morning registration, breaks, and lunch. The exhibit area will be adjacent to the speaker/presentation area. Partners are encouraged to sell their products and offer a show special.

This tiered approach is designed to provide economy while giving the flexibility to modify offerings to each level, ensuring your organization or company needs are met. Your **company's logo is advertised** on every page of **lifeextensionconference.com** and will have a link to your company's website for 1 year. Tabletop signage will be provided with your company name & logo. (300 dpi .eps file required)

Partner Levels

Platinum Partner: \$10,000

- Possible speaker presentation to be negotiated with Chairman
- Special recognition during opening session and throughout conference
- Four complimentary conference registrations, includes lunches and reception
